

## Mayville Area Teacher Center Presents Teacher Time II Workshop

### For K-12 Teachers

**Where:** Mayville State University Education Building

**When:** June 5<sup>th</sup> and 6<sup>th</sup> from 8 a.m.-4 p.m.

**What:** June 5<sup>th</sup>: Genius Hour and Three Mini Lessons

**June 6: Teacher Time:** Teachers will spend time creating lessons for their own classroom

#### Genius Hour: Ashley Mickelson, Ashley Krinke, and Jodi Zieske

Follow our 3-year Genius Hour roadmap as we show you how Northern Cass fourth and fifth grade teachers and elementary counselor have transformed the way they teach and implement Genius Hour. They will provide you with a variety of resources and ideas to integrate and utilize in your own classroom. They will focus on the importance of the design and engineering process, integration of social-emotional skills within group work, and share their gradual release philosophy for Genius Hour.
