Comets Baseball Tradition

One of the most heralded and respected baseball coaches in America, Scott Berry runs one of the most outstanding college baseball programs in the nation. A member of five halls of fame and an active participant in local, regional, and national baseball organizations, Berry has kept Mayville State on the collegiate baseball map for more than three decades.

In 36 years since becoming the Comets head coach in 1982, Berry's teams have won 23 regular season conference championships (including 17 in a row from 1986-2002), 21 conference tournament championships, and have made 27 appearances in the NAIA national playoffs.

The Mayville State University Comets have won three NAIA regional titles under Scott Berry, won the 2002 Plains Super Regional title, and finished in 5th place at the NAIA World Series in 2002.

Coach Berry has been named as Conference Coach of the Year 23 times, District 12 Coach of the Year 9 times, NAIA Region Coach of the Year 4 times.

New Facilities

The Comet baseball team has recently enjoyed facility upgrades. Scott Berry Field, as well as the indoor hitting and pitching facility and locker rooms have been renovated. Additionally, the Comet Strength weight room underwent significant upgrades.

Successful

We are successful because we work a little harder than anybody else. We want hard work to be a major staple of our team. We have always set the bar high for our Comet baseball team at Mayville State University. Our goal at MSU is to compete for a national championship, and we will continue to work relentlessly to reach that goal.
