

The Career Outcomes report has been prepared by Mayville State University Career Services.

This report provides a snapshot of students who graduated in the Class of 2019- August 2018, December 2018 and May 2019- as well as three year averages of the six divisions at Mayville State University.

Data is based on responses collected following NACE (National Association of Colleges and Employers) guidelines through electronic surveys, telephone calls, academic faculty, and other sources such as LinkedIn.

## 2019 SNAPSHOT

Of the 167 responses (78% response rate):

- 87% are employed (FT, PT, MS)
- 93% are employed in a field related to their studies
- 12% are continuing education
- 68% contributing to North Dakota's economy
- 18% contributing to Minnesota's economy
