Mayville State University

2019-2020 and 2020-2021 Academic Catalogs
Itasca Community College

This Bachelor of Science degree is designed to provide students with the education necessary for success in business. In addition to other institutional and graduation requirements, majors complete a 50-semester credit business core, and two specializations or a minor. Elective courses will be chosen to ensure students earn a total of no less than 120 semester credits. Program requirements include an internship experience that provides students with the opportunity to work in a field related to their major and earn credit for this work experience.

ESSENTIAL STUDIES: 36 semester credits required, including those listed as program prerequisites here.

***Note on Transferred Courses:** *Itasca Community College courses that satisfy expectations of course content for the specific MaSU 300-level courses indicated will transfer for those MaSU courses as non-upper division credits towards the total of 120 semester credits required for graduation. The 200-level transfer courses cannot count as true 300-level courses towards the 30-semester credit upper division courses requirement for a bachelor's degree.*

All credit-bearing coursework completed in an Associate of Applied Science program, an Associate of Arts program, or an Associate of Science program from Itasca Community College applies to the 120 credits required for graduation with a bachelor's degree from Mayville State University.
