Articulation Agreement
Mayville State University and Dakota College at Bottineau
March, 2015

The purpose of this articulation agreement is to enable Dakota College at Bottineau (DCB) students who have earned their Associate of Applied Science in Nursing (AAS) degree to transfer to Mayville State University (MaSU) and enter the Registered Nursing (RN) to Bachelor of Science in Nursing (BSN) program. The agreement will provide a structure through which transfer articulation can be supported.

Therefore, it would be understood and agreed that courses taken at Dakota College at Bottineau are considered equally transferrable to Mayville State University.

Transfer Requirements

Students Must:

1. Complete an Associate of Applied Science Nursing Degree (AAS) from DCB.
2. Apply for admission to MaSU
   a. Applicants must meet university admission requirements for transfer students http://www.mayvillestate.edu/prospective-students/admissions/transfer/
   b. Be in good academic standing (not on dismissed or suspended status) at the most recent college or university you have attended.
   c. University requirement of minimum GPA of 2.0 at the conclusion of any semester in which the number of institutional and transfer hours attempted reaches or exceeds 64 semester hours. For nursing program admission must have minimum cumulative GPA of 2.5.
   d. Complete the Mayville State University Application for Admission – Online Application https://app.applyyourself.com/AYApplicantLogin/I1_ApplicantConnectLogin.asp?id=mayville
   e. Submit a non-refundable, one-time $35 application fee. No admissions decisions will be made until the application fee is received.
   f. Submit official transcripts of all previous academic work from each institution attended. These must be sent directly from the institutions and must show all courses attempted and grades earned. Transcripts must be signed by a school official and contain the official school seal.
3. Meet all deadlines set by MaSU
4. The following are required for nursing program admission at MaSU:
   a. Apply for admission to the RN to BSN Program Completion of the RN to BSN Program application
      i. Admission Deadlines
         1. Fall Semester March 1st (for first review, open until cohort is filled)
         2. Spring Semester: October 1st (for first review, open until cohort is filled)
      ii. Submit $25.00 program application fee paid by check or money order, or by calling the MaSU Business Office at 701-788-4757
      iii. Conditional program acceptance will be granted if applying in final semester of AAS-RN program until the final AAS-RN degree has been posted from DCB.
   b. Minimum cumulative GPA of 2.5 or better on a 4.0 scale
   c. Minimum grade of “C” required for all previous nursing courses
d. Active unencumbered RN license or be a graduate in current semester with license pending
   i. Must be licensed by July 15th for Fall semester start/November 15th for Spring start
   ii. Submit license information including license number and state of issuance
   iii. Conditional program acceptance will be granted to qualified students who are scheduled for or awaiting results of the NCLEX Exam

e. Two professional letters of reference addressing nursing role performance (use program Reference form). References must be submitted in sealed envelope, with signature of reference source across the seal or may be emailed by reference source directly to shannon.skovlund@mayvillestate.edu, Administrative Coordinator for the Nursing Program.

f. Request an appointment with RN to BSN online Program Director for an informal review of prior coursework to begin a plan of study.

g. Completion of all clinical requirements following program admission
   i. Approval for clinical practice verified by Criminal History Record Check
   ii. Proof of current American Heart Association-Healthcare Provider (BLS) CPR certificate
   iii. Proof of current unencumbered RN Licensure
   iv. Proof of Immunization
   v. Signed Confidentiality Agreement
   vi. Proof of Health Insurance/Health Insurance Waiver

h. Access to a computer with high-speed Internet and virus protection
   i. Personal computer requirements will be provided upon request

Admission is competitive and is based on a point system. Points are given based on cumulative GPA, earned nursing credit GPA, reference information, previous application to the program, RN nursing graduation from a North Dakota institution, residency in North Dakota or employment as a RN in North Dakota, and existence of an articulation agreement. The number of students admitted each semester is limited.

Total Program credits (BSN) 74 Nursing, 47 General Education(MASU ES)/Upper Division/Elective = 121 total

All NURS courses in the PN and AD program must be successfully completed in the semester they are scheduled to progress to the next semester.

In Year 1 and 2, general education courses can be taken earlier but not later than the identified semester.

Credits in the PN/AD program: 46 Nursing, 27 General Education = 73 Total (18 Clinical credits in PN/AD program)

Credits after AAS RN licensure eligibility = Completion of 12 credits at either 2 year institution or Masu, 28 credit BS Nursing, 8 credits at 300/400 Masu level (includes 3 credit statistics course) = 48 credits

Total credits = 73 (AAS) + 48 (post AAS - BSN) = 121 minimum credits including transfer, essential studies, upper division, and nursing program credits

Masu Essential Studies requirements include 6SH English and 3SH Speech. 36 credits must be taken at the 300/400 level and at least 30 credits at Masu. Cis 155 credit waiver for BSN students who have earned minimum 36 credits Essential Studies. The Fitness/Wellness and Information Technology Masu Institutional Graduation Requirements are not required for students who have earned a 2-year degree. Students must meet the following math requirements: College Algebra Pre-req: requirement of a minimum 21 ACT Math score, ASC 093 or equivalent with a grade of "C" or higher and Statistics Pre-req: requirement of completion of College Algebra with a grade of "C" or higher. Math assessment ACT/SAT or COMPASS scores will be used to determine math course placement.

MaSU Essential Studies requirements include 6SH English and 3SH Speech. 36 credits must be taken at the 300/400 level and at least 30 credits at MaSU. CIS 15H credit waiver for BSN students who have earned minimum 36 credits Essential Studies. The Fitness/Wellness and Information Technology MaSU Institutional Graduation Requirements are not required for students who have earned a 2-year degree. Students must meet the following math requirements: College Algebra Pre-req. requirement of a minimum 21 ACT Math score, ASC 093 or equivalent with a grade of "C" or higher and Statistics Pre-req. requirement of completion of College Algebra with a grade of "C" or higher. Math assessment ACT/SAT or COMPASS scores will be used to determine math course placement.
MaSU RN to BSN Program Requirements  
taken at MaSU once transfer from DCB  

Baccalaureate Degree Requirements  

Minimum 120 SH Credits including transfer credits, essential studies credits, upper division credits and nursing program requirements  
36 SH Credits must be taken at the 300/400 level  
  MaSU RN to BSN = 28 SH Nursing 300/400 level  
  8 SH 300/400 level MaSU Credits (includes Statistics course)  
  36 Total Credit Hours  

RN to BSN Required Core Nursing Courses 28SH  

NURS 310- Nursing Information and Health Care Technologies (2SH)  
NURS 350- Baccalaureate Role Development: Provider of Care, Manager of Care, and Member of a Profession (3SH)  
NURS 360- Holistic Health Assessment Across the Lifespan (4SH)  
NURS 370- Evidence-based Practice (3SH)  
NURS 441- Population-focused and Community based Nursing Care: I (4SH)  
NURS 442- Population-focused and Community based Nursing: II (2SH)  
NURS 450- Issues in the Health Care System: Focus on Rural Health (3SH)  
NURS 460- Ethical Dilemmas in Health Care: A Focus on Vulnerable Populations & End-of-Life (3SH)  
NURS 470- Nursing Leadership (4SH)  

Upper Division (300/400 Level) 8 SH  

MaSU Nursing Program Required Statistics Course (3 SH) if Math 210 not already taken at DCB  
  BUSN 336- Applied Statistics (3SH)  
  PSYC 310- Statistics for the Social Sciences (3SH)  
  MATH 323- Probability & Statistics (3SH)  
  Additional 3SH course must be taken at 300/400 level if using Statistics course substitution to meet this requirement  

  5 SH- exact 300/400 level courses selected by the student  

*300/400 level courses taken at another college/university can be can be transferred in to MaSU but residency requirement of minimum of 30 SH and two semesters of enrollment must be met  

MaSU RN to BSN program offers both full and part time enrollment options. See table below the full and part time plan of study overview:
