

Thank you for nominating a candidate for the Mayville State University Athletics Hall of Fame. After we have received your completed nomination form, we will request additional information from the nominee. Nominees who have completed and returned the nominee data sheet and returned it to the MSU Foundation prior to June 1 of any given year will be considered for induction in that same year.

Nominee Qualifications

If a nominee was an athlete, the nominee must have graduated ten or more years prior to induction.

If the nominee was an athlete, he/she must have earned two letters in one sport or one letter in two or more sports.

The records of the nominee(s) considered should be so outstanding that there would be little question as to the qualifications necessary for induction.

Consideration will be given for personal conduct in sports and personal contributions to the ideal of sports.

Criteria and qualifications will be based primarily upon the nominee's participation while attending or serving Mayville State University. However, accomplishments after leaving the university may be an important point of consideration.

The Hall of Fame Committee has the authority to make exceptions for extraordinary cases for individuals not meeting the criteria.
