5. To select a class enter class number. If you do not know the class number click **search**.

The screenshot shows a form titled "Add to Cart:". Below the title is the label "Enter Class Nbr" followed by a text input field and an "enter" button. Below this is the section "Find Classes" with three radio button options: "Class Search" (which is selected), "My Requirements", and "My Planner". At the bottom of this section is a "search" button. Two green arrows point to the input field and the "search" button respectively.

HOW TO SEARCH CLASSES

After selecting search, choose the appropriate **course subject** and click **search**.

The screenshot shows a dialog box titled "Class Search Criteria". It has several input fields: "Course Subject", "Course Number", and "*Course Career". Below these is a section "Use Additional Search Criteria" with a "D Additional Search Criteria" button. At the bottom, there are buttons for "Return to Add Classes", "Search", "Plan", "Enroll", "My Class Schedule", and "Add". A list of course subjects is displayed in a scrollable area, including Accounting, Astronomy, Biology, Business, Business Administration, Business, Office, & Tech Ed, Chemistry, Clinical Laboratory Science, Communications, Computer, Information Systems, Early Childhood, Economics, Education, English, Geography, Health, Phys Ed, & Recreation, History, Humanities, Journalism, Library Media & Info Science, Mathematics, Music, Physics, Political Science, Psychology, Science, and Sociology. A green arrow points to the "SEARCH" button.

Connect ND will show you all the available classes in that subject.

6. To choose one of the options, click **select**.
