Additional Information:

Students must be enrolled in at least 6 credits (1/2 time) in order to be eligible for Subsidized, Unsubsidized, and PLUS (parent) loans. In some cases, Pell Grants may be awarded to students that are enrolled in less than 6 credits. There are alternative loans available for less than 6 credits of enrollment. Contact the Financial Aid Office for more information on these loans.

Please remember to update Campus Connection if you have a change of address or phone number. There are several changes to financial aid processing so you must watch your campus email account for any updates or instructions.

Satisfactory academic progress will be evaluated after spring semester grades have posted. If you do not meet the satisfactory progress requirements, you will not be eligible to receive summer financial aid unless you appeal and are approved. These progress letters will be mailed out to students by the end of May and you may also view any possible holds by accessing your student information through Campus Connection.
