Course Transfer Table

2020-2022 Catalog
Mayville State University

2020-2022 Academic Catalog
Dakota College at Bottineau

The goal of the special education program is to prepare teacher candidates for entry into special education professional practice with the knowledge and skills to practice safely, ethically and effectively with a multi-categorical population of students with special needs. Students will be prepared to: apply specialized pedagogical knowledge and skills; demonstrate instructional strategies and assessments that are developmentally appropriate for diverse learners; observe, document, and analyze characteristics, behaviors and learning environments of populations with special needs; apply effective verbal and non-verbal communication, multi-media, computers, and current technology skills in specialized settings; and students will demonstrate professional dispositions and ethical practice through collaborative interactions.

- A minor or 2nd major is NOT required for this program.
- A cumulative GPA of 2.75 or higher is required for admission into and graduation from the teacher education program.
- A minimum grade of "C" or better is required for all courses in teacher education, unless otherwise noted.
- A minimum grade of "B" is required for EDUC 250.
- Students who have not been admitted to the Teacher Education program will not be permitted to enroll in Education courses requiring admission (SPED 396, SPED 397, EDUC 350, EDUC 390, EDUC 422, EDUC 400, EDUC 401)
- All Special Education core requirements, practicums, and professional education courses, as well as 75% of Essential Studies coursework must be completed prior to student teaching.
