

Mayville State University--Office of Extended Learning
Agreement for Anatomy and Physiology Students

Please complete this form if you plan to do either of the following:

- Enroll in BIOL 220/L Anatomy and Physiology I and BIOL 221/L Anatomy and Physiology II in the same academic term
- Enroll near or after the last date to officially enroll for the academic term.

Sign below that you agree to enroll with Mayville State University based on the following course background conditions and tuition & fee payment conditions:

I understand that, to enroll in BIOL 221/L concurrently with BIOL 220/L, I will need to provide transcripts showing previous biology coursework with completion at a "C" level to the instructor for permission into both courses.

I understand that refunds of tuition and fees owed after September 9, 2020, are only given for complete withdrawals from all MSU classes. If I am enrolled in both BIOL 220/L and BIOL 221/L in the same academic term, I will receive no refund of tuition and fees if I drop BIOL 221/L but not BIOL 220/L. (Please be certain you can successfully complete both BIOL 220/L and BIOL 221/L before enrolling in both courses in the same academic term.)

I understand that the last date to receive a 100% refund of tuition and fees for the Fall 2020 semester is September 9, 2020 regardless of when I enrolled in the course. Total withdrawals from MSU after September 9, 2020 will receive only partial, if any, refunds of tuition and fees owed.

Student Name

Date
