Your student will spend a good amount of time in the “Campus Connection” environment.

They will register for classes, pay their bills, see upcoming financial aid info, clock in for their on-campus job, and see their grades in this student database.

- To get to their campus connection account, students start here:

The screenshot shows the Mayville State University homepage. The browser's address bar displays 'mayvillestate.edu'. The top navigation bar includes links for 'WHY MSU', 'VISIT US', 'DIRECTORY', 'ALUMNI & FRIENDS', 'COMMUNITY', and 'ABOUT MSU'. On the right side of this bar, there are icons for Blackboard (Bb), email, a dollar sign (\$), a 'C' (highlighted with a yellow circle and a yellow arrow), and a plus sign (+). Below the navigation bar, the Mayville State University logo is on the left, and links for 'ADMISSIONS', 'ACADEMICS', 'PAYING FOR SCHOOL', 'CAMPUS LIVING', 'MSU ONLINE', and 'STUDENT RESOURCES' are on the right. An orange banner across the middle of the page contains the text: 'Mayville State classes are online through the summer session. Non-essential employees are working remotely. [View our Coronavirus updates.](#)' Below the banner is a large image of a campus scene with two students standing in front of a building. Overlaid on the image are two white text boxes: 'WE'RE COMET PROUD!' and 'CHECK OUT OUR PROGRAMS.'. A vertical text label 'Scroll Down' is positioned on the right side of the image.

Academic Progress

"Tasks" is what you would expect – a list of things to do. Accept your financial aid, pay a bill, do your "financial obligation" document, etc. It often describes whom to contact to clear a hold on account (example: needs to meet with academic advisor)

# So if a student goes into “manage classes:”

The screenshot shows the 'Manage Classes' interface for a student at the University of North Dakota. The left sidebar contains a 'Manage Classes' section with a calendar icon and a 'Student Self Service' section with a person icon. The main content area is titled 'Manage Classes' and includes a 'Student Homepage' link. Below this, it shows the semester '2020 Fall' and the user's role 'Undergraduate'. A list of links is provided: 'View My Classes' (highlighted with a green bar), 'Shopping Cart', 'My Weekly Schedule', 'Schedule Planner', 'Class Search and Enroll', 'Enroll by My Requirements', 'Enrollment Dates', 'Drop Classes', 'Update Classes', and 'Swap Classes'. The 'View My Classes' link is highlighted with a green bar. The main content area displays a table of enrolled classes. The first table shows class details for 'Lecture - Sect 01 - Class Nbr 7894' with dates '08/24/2020 - 12/18/2020' and times '2:30PM to 5:20PM' and '11:15AM to 12:05PM'. The second table shows class details for 'Lecture - Sect 03 - Class Nbr 7041' with dates '08/24/2020 - 12/18/2020' and times '3:30PM to 4:45PM'. A yellow text box on the left explains the functionality of the 'View My Classes' link.

they can view their current schedule, they can look for classes to add or for next semester, they can drop classes. We'll provide more info in their call with their advisor.

We are going to talk about the Financial Account and the Financial Aid Tiles in a bit, and “Academic Records” is where a student sees their grades. Finally, “Self Service” is used by students at other schools more than we use it here, but it will link to places like the housing portal.

Information C

Academic Charges are added to a student's bill when they register for class(es).

We're going to talk about bookstore charges in just a minute

There is a [very long document](#) I've provided that includes this statement: your student's housing/dining charges will appear on the campus connection account on or just before August 1.

Payment is due [September 9, 2020](#). Financial Aid will pay just before that date, and you will already know ahead of time how much you or your student will need to pay.

Finally, there is a payment plan protocol on the business office website. Your student can work with our business office to set up a plan.

# Authorized Users

If a family member or other outside party helps with your finances, you can set them up as an Authorized User. This will allow them to view your monthly e-Bill and make online payments and deposits on your behalf.

To set up an Authorized User:

Log in to Campus Connection

Click the **Financial Account** tile

Select **Pay Online Now**

Click **Authorized Users** in the My Profile Setup section

Add email addresses of authorized user(s)

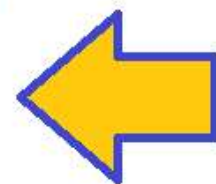

welcome
