

## ONLINE PROGRAM ELIGIBILITY INFORMATION FOR INTERNATIONAL STUDENTS

International students who meet application requirements (including English language proficiency) are welcome to apply to the following MSU 100% online programs to be completed from the student's home country:

**Bachelor's programs:**

*Business Administration*

*Mathematics*

*University Studies*

**Associate of Arts programs:**

*Business Management*

Students residing in Canada and other approved countries are welcome to enroll in online Associate or Bachelor of Arts in *Early Childhood programs*.

International students are not eligible to enroll in the following MSU online and distance programs due to required field experiences, practicums, internships and student teaching experiences within the United States.

**Bachelor's programs:**

*Elementary Education*

*Early Childhood Education*

*Special Education*

*Mathematics Education*

*Nursing*

**Master's Program:**

*Master of Art in Teaching*

International student applicants to online bachelor's and master's degree programs at Mayville State University are not eligible for a student visa.

International students may take online courses that do not have associated teacher education field experiences, practicums, internships or admission to teacher education requirements.

**A complete list of MSU online courses can be found at: [www.MayvilleState.edu/msu-online](http://www.MayvilleState.edu/msu-online).**
