

# Mayville State Co-Ed Cheer Team

## **Comets Cheer Team**

Thank you for your interest in the Mayville State University Cheer Team. We are excited to have a skilled cheer team to promote our athletic programs and our university. It is the mission of the Mayville State University Cheer Team to uphold the pride and tradition of Mayville State University. We actively promote, develop, and encourage school spirit through a variety of stunting, cheer, and dance techniques. Our team members strive to be positive role models as student-athletes of Mayville State University.

The cheer team consists of up to 20 cheerleaders who perform at all home football and men's and women's basketball games, some home volleyball games, as well as national competitions. Comet cheerleaders will also make various appearances on behalf of Mayville State University.

We look forward to building a relationship with you as a potential student-athlete. We would like you to consider being a part of the excitement of the Mayville State University Cheer Team.

### Successful

We are successful because we work a little harder than anybody else. We want hard work to be a major staple of our team both on and off the playing field and court. Mayville State is creating stronger, more capable thinkers, and better thinkers become better leaders. We're not merely generating great graduates who employers want to hire and who will lead the next work force, we're creating better citizens.
