

We're happy you're with us (either now, or later on). As promised, we're going to discuss: Student Support Services, programs for First Generation students, some of the technology your student will use, dates for the semester, some money-matters, some books and other matters, information from our advising center, and some COVID-response information. We'll start at 6:00 pm.

Welcome to Mayville State! We're going to throw a lot at you, and we can field a couple of questions tonight. Also know this:

We have some written and some recorded information at:

www.mayvillestate.edu/parentsfall2020.

Read, listen, and let us know what you need.

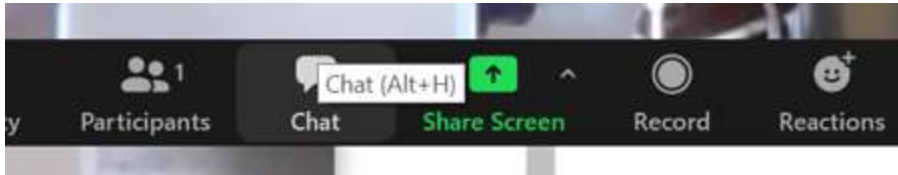

This slide show has links for our presenters today. Reach out by phone or email and know we're happy to answer questions.

Your student will spend a good amount of time in the “Campus Connection” environment.

They will register for classes, pay their bills, see upcoming financial aid info, clock in for their on-campus job, and see their grades in this student database.

In the original presentation, we showed a number of “campus connection” pages. We have since moved this to a different presentation/downloadable file.

- To get to their campus connection account, students start here:

The screenshot shows the Mayville State University homepage. The browser's address bar displays 'mayvillestate.edu'. The top navigation bar includes links for 'WHY MSU', 'VISIT US', 'DIRECTORY', 'ALUMNI & FRIENDS', 'COMMUNITY', and 'ABOUT MSU'. On the right side of this bar, there are icons for 'Bb', an email icon, a 'C' icon (highlighted with a yellow circle and a yellow arrow), and a '4' icon. Below the navigation bar, the Mayville State University logo is on the left, and links for 'ADMISSIONS', 'ACADEMICS', 'PAYING FOR SCHOOL', 'CAMPUS LIVING', 'MSU ONLINE', and 'STUDENT RESOURCES' are on the right. An orange banner across the middle of the page contains the text: 'Mayville State classes are online through the summer session. Non-essential employees are working remotely. [View our Coronavirus updates.](#)' Below the banner is a large image of a campus scene with two students standing in front of a building. Overlaid on the image are two white text boxes: 'WE'RE COMET PROUD!' and 'CHECK OUT OUR PROGRAMS.'. A vertical text label 'Scroll Down' is on the right side of the image.

We often have family members ask about finding the calendar for our semester, and the reality is there are different calendars for different reasons. The first item returned in this search will let you now the first and last day of the semester, the second link will help you (your student) know about things going on on campus, and the third is dates/deadlines for adding or dropping a class, for payment due dates, and other business related items.

ODI Programming

At Mayville State University, we understand diversity represents all aspects of human difference. These include but are not limited to age, background, citizenship or national origin, disability, ethnicity, gender, gender identity/expression, language, political views, race, religion, sexual orientation, socioeconomic, and veteran status.

Mayville State University is committed to educating and guiding students, as individuals, so that they may realize their full career potential and enhance their lives. As part of this educating process, MSU promotes cultural awareness by organizing activities, and initiatives that enhance cultural awareness for the entire campus, foster education, constructive dialogue, and meaningful reflection on diversity issues for all students, faculty and staff of our campus community.

Programming includes special events, year-long series, trainings, field trips, and more. Series include: Intercultural Club, Rainbow Alliance, DiversiTea (invited speakers), Study Tables, Tutoring ELL students, First Gen programs.

Special events in 2019-20 included: Skiing, a visit to the Canadian Museum for Human Rights, Harlem Renaissance Painting with invited artist, Attending Exonerated Five workshop. Special exhibits are featured monthly.

Members of MSU Intercultural Club attend the 3-day Power in Diversity Conference at St. Cloud State University, February 2020.

Academic Charges are added to a student's bill when they register for class(es).

We're going to talk about bookstore charges in just a minute

There is a [very long document](#) I've provided that includes this statement: your student's housing/dining charges will appear on the campus connection account on or just before August 1.

Payment is due [September 9, 2020](#). Financial Aid will pay just before that date, and you will already know ahead of time how much you or your student will need to pay.

Finally, there is a payment plan protocol on the business office website. Your student can work with our business office to set up a plan.

Authorized Users

If a family member or other outside party helps with your finances, you can set them up as an Authorized User. This will allow them to view your monthly e-Bill and make online payments and deposits on your behalf.

To set up an Authorized User:

Log in to Campus Connection

Click the **Financial Account** tile

Select **Pay Online Now**

Click **Authorized Users** in the My Profile Setup section

On-line textbook ordering for the Fall 2020 session begins August 4. Book & supply charging to student accounts will be available from August 4 - September 2.

Ordering Instructions

Note: There is a minimum of 3 working days before newly enrolled students information is available to the bookstore. We recommend using your credit card so you can get your order placed.

Please use your credit card for payment if you are ordering outside of the dates approved for charging to student accounts

To view textbook information without placing an order: scroll to the bottom of the page and click on the Order Textbooks button.

YOU WILL START AS: New User.

You will choose the

“register using your Mayville State email”. Have you claimed your email account?

Your password is not the same as your ConnectND login.

You will follow the directions to have your temporary password sent to you and then you will build your account; just as you do on other ordering websites. You will need to know your student ID number to complete your registration.

Existing Users

Login to your [bookstore account](#) and then proceed to the next step.

New Users

[Register using your Mayville State email](#). Follow the directions to complete your account registration.

Laptop

You can purchase a laptop that will meet the requirements of being a student through the bookstore, or you can purchase your own.

If you do it 'on campus,' it can be charged against your financial aid. Make sure financial aid knows this is your plan, and you are approved for this.

If you do it at Best Buy, etc., make sure it meets the listed computer requirements.

Paying the Balance due

- All charges are due per semester:
 - 2020 Fall ----- September 9, 2020
 - 2021 Spring ---- January 27, 2021
- Options to pay balance due if financial aid award does not cover costs
 - Pay out of pocket on due dates listed above
 - Set up a payment plan with the Business Office (before due dates) to pay the balance due by the end of the semester
 - Apply and be approved for the Parent Plus loan
 - If denied, the student would be eligible for an additional \$4000/yr unsubsidized loan
 - Student apply and be approved for the Private Education Loan

Private Education Loans

- An option to replace the Parent PLUS Loan
- The student is the borrower and likely will need a cosigner to be approved
- The student applies through the lender of their choice
- <https://choice.fastproducts.org/FastChoice/home/299300/1>

Academic Advising Center Old Main 101

- Mission is to provide high quality, intentional advising to MSU students and prospective students
- All degree-seekers have an assigned advisor
- Facilitate registration
- Knowledge of all MSU majors, minors, and degree requirements
- Knowledge of MSU policies and procedures

The Advising Center has created “New Comet Orientation” in Blackboard for new students. All new students will receive instructions on accessing this once they are registered.

Encourage your student to complete the Blackboard course to become a “Certified Comet” and receive a free MSU lanyard.

Social

Students have a chance to create and participate in social events, that come largely in three ways – events the University puts together, events that student leaders put together, and events that students create on their own. One of the roles of the Office of Student Life is to make sure we have a good offering of types one and two. Another role we have is encouraging students to be safe when attending type three.

CARE TEAM

You've met members of the CARE TEAM during this presentation and we want you to know these two things:

- we believe, in general, you know your child better and in ways that we cannot know them;
- we know, from time to time, students will struggle with things and we want to help them.

If you see changes in your student and those changes concern you, you are always welcome to reach out to CARE Team. Selected members:

[Jeffrey Powell](#)

[Katie Richards](#)

[Lindsay Birke](#)

[Bella Hettich](#)

We also know that statistically, a student who hurts themselves or a student who hurts other students will have told someone about their pain. In addition to knowing we want to hear from you if you're concerned about your student, also know that encouraging your student to let us know if someone in their orbit is hurting is appropriate. It's not ratting someone out – it's getting help.

Some Logistical Information

I wrote a pretty substantial list of things I often tell parents. It's at the parent website:

www.mayvillestate.edu/parentsfall2020

and it's called "Housing, Dining, and Other Information for Parents" ([download now](#))

It includes some COVID response info – the most significant is that students should sign up for a check-in time. It's in the same place their first housing application was submitted, in their housing portal (https://prdhousing.ndus.edu/masu_thdss/).

That document includes some other COVID comments and things we hope your student will consider. Please, let us know if you have questions about the document.

Office Hours

Before I hand the mic over, a reminder that I am doing office hours to address your questions or direct you to one of my colleagues:

10:00–11:30 am Thursday, July 9

<https://us02web.zoom.us/j/7010424242>

to field your questions and either give
– or start the process of getting – your
answer.

Our Response to Covid-19

- The health and safety of our students, staff, and faculty is our top priority.
- All colleges/universities are responding differently. Our response is based on:
 - Coordination with local public health professionals.
 - Guidance from the North Dakota Department of Health (ND Smart Restart)
 - Center for Disease Control.
 - Cross-functional campus taskforce to identify ground-level needs for our campus community.
- The situation is evolving; so too will our plan.
 - Updated information for parents regarding Mayville State's response can be found at:
 - www.mayvillestate.edu/parentsfall2020

Our Response to Covid-19

- Masks are strongly encouraged when social distancing (distance of 6 feet) is not an option.
 - Masks (2) will be supplied to all on-campus students, faculty, and staff.
- We have taken steps to modify our operations. Highlights include:
 - Classrooms have been measured, modified, or moved to accommodate social distancing protocols. Our smaller class sizes help with this!
 - Common areas, classrooms, residence halls and other campus spaces are routinely cleaned and disinfected; many areas are receiving additional attention from facilities staff.
 - Plexiglass barriers have been installed in service windows and other areas across campus.
 - Athletics will be routinely screening student athletes in accordance with NAIA guidelines.

Our Response to Covid-19

- We have exhausted our supply of single rooms in the Residence Halls. If a double room presents a concern for you or if you have other concerns with living on campus, please discuss your options with the Director of Student Life.
- Students will choose from the optional timeframes for move in. Most students will move in August 22, but you can see the list of timeframe options in the housing portal (https://prdhousing.ndus.edu/masu_thdss/)
- Students who need to quarantine will do so in their own rooms. Rooms will be set aside for on-campus students who may need to isolate/or for the roommate(s) of students needing to isolate. We have a limited number of spaces dedicated to the process. Meals will be delivered to the rooms and Student Life will provide daily wellness checks to students in these situations.
- Planned day-to-day operational adaptations include providing disinfectant stations for student use and scheduling additional sanitation by campus custodians. We may limit the number of students in lounges, and reconfigure furniture in common areas.
