

# ONLINE PROGRAM ELIGIBILITY INFORMATION FOR INTERNATIONAL STUDENTS

International students who meet application requirements (including English language proficiency) are eligible to enroll and welcome to apply to the following MSU 100% online programs to be completed from the student's home country.

Canadian students are eligible to enroll in all Mayville State online and distance programs.

## **Associate of Arts Programs:**

*Business Management*  
*University Studies*

## **Bachelor's Programs:**

*Accounting*                      *English*  
*Agribusiness*                    *Mathematics*  
*Business Administration*    *University Studies*

## **Certificates:**

*Business Studies*

International students and American and Canadian students living outside the U.S. or Canada are not eligible to enroll in the MSU online and distance programs listed below due to the required field experiences, practicums, internships and student teaching experiences within the United States or Canada.

## **Associate of Arts Programs:**

*Early Childhood*

## **Bachelor's Programs:**

*Biology - BS*  
*Elementary Education*  
*Early Childhood Education - BSEd*  
*Early Childhood - BA*
