With their high school career coming to an end, the students of Mayhem High find themselves battling it out over grades, popularity, affection, class rankings, and what they all have been focused on for years ... who will be awarded the prom king and queen title. Will it be the class president who is looking to extend his reign past the student council? The pompon captain who has used her moved to land more than a prom court nomination? Or possibly the math team captain who is desperate to make his name is something other than academics. As the night unfolds, the royalty will be rewarded on an innocent life will be claimed. From the preppie to the punk rocker, the spaz to the stud, the jock to the jilted - all are suspected although only ones is to blame. Can you find the culprit in this crazy madness that is filled with neon, naughtiness, and narcissistic behavior? The party will be held at the Edson and Margaret Larson Alumni and Leadership Center. Your hosts will accommodate a party of 8-12.
